FUNCTION

FLEXIBLE SYSTEM

New, innovative Zipper System (YKK) with adjustable hole for the harness.

Easy to put on. Two draw cords with safety cover provide easy fitting. Your dog cannot get stuck in any loops.

Chest- and neck parts are adjustable in a wide range. Fits big dogs as well.

High quality zipper along the back. Closable from both ends for easy dressing.

Excellent reflection stripes
High visibility and safety at night.
Practical loops for hind paws.
